PERSONS AUTHORIZED TO ACCESS ACCOUNTS:

Landlord Reversion Option for Utility Service

At the termination of a tenant's utility service, the undersigned Landlord may elect to have gas and/or water service automatically transferred back into the Landlord's name to ensure continuous service at the property.

Yes, I request that service be automatically reverted to the Landlord's name upon tenant account closure.

No, I do not request automatic reversion of service.

If the Landlord selects "Yes" this authorization will remain in effect for all future tenant account closures at the service address. To discontinue participation in the Landlord Reversion Program, the Landlord must complete and submit a **Discontinue Landlord Authorization Form**. Service will continue to revert to the Landlord's name until such form is received and processed by the Gallatin Public Utilities.

The Landlord agrees to be responsible for all applicable charges incurred during any period in which the service is in the Landlord's name.

I/We hereby make application to Gallatin Public Utilities (referred to as the Department) for utility service at the location given or any other location or premises occupied or designated, if said locations are on or connected with the Department's existing utility lines and these lines are suitable for the service applied for.

GALLATIN PUBLIC UTILITIES

LANDLORD ACCOUNT

I/We agree to be responsible for the charges for all water and/or gas consumed at the location designated, as measured by the Department's meters in accordance with the standard rates, rules, and regulations of the Department, as may be established from time to time for such class of service. I/We further agree and understand that any interruption in service (disconnection) as the result of non-payment of charges will result in the revocation of your landlord privileges. Also, failure to pay final account balances will result in the revocation of landlord privileges.

It is understood that this application or agreement is subject to the standard rules and regulations of the Department, on file for inspection at the office of the Department, and such rules and regulations are hereby made part of this agreement.

Customer Dashboard

The Customer Dashboard is designed to give you a more convenient, user-friendly way to manage your utility services. You will be able to:

- ◆ Monitor your water and natural gas usage
- ◆ Receive real-time customized notification alerts
- ◆ Access account details
